UL/cUL pending on specific OEM presses (Domino N610i, Durst Tau 330, Mark Andy DSI and Xeikon Jetrion® 4900 and 4950LX) (1PC & 1PCS)

03/06/19

UL/cUL pending with specific OEM printer inks (DPM® UVIJ 1PW, 1PWS, 1PC, 1PCS, 1PPW & 1PPWS)

[ⓓ] The vinyl products (1FW and 1FWS) are non-topcoated. Since these vinyls are plasticized, please expect a “learning curve” when printing these films.

* Layflat sheet liner specifically engineered for narrow-format UV inkjet presses

Jetrion® is a registered trademark of XEIKON. *Graphium® is a registered trademark of FUJIFILM North America.

Products have been developed and qualified at OEMs. These products are recommendations only and should be tested in the actual conditions of use. The typical performance data and recommendations for using FLEXcon products shall be used only as a guide. All purchasers of FLEXcon products shall be responsible for independently determining the suitability of the material for the purpose of its intended use.
